§ 04 · STRATEGY

Session **Deliverables**

A full inventory of the v6 rebuild — 18 files, 8,124 lines, 9 agent swarms.

Session date: 2026-04-24 **Scope:** Full rebuild of Alche pre-seed pitch book from subscription-model (v5) to retail-first (v6), plus 9-agent research swarm for investor targeting, supplier DD, and EU regulatory landscape.

📦 Top-level files

#	FILE	SIZE	LINES	WHAT IT IS
1	**`PRIORITY-ACTIONS.md`**	9.6 KB	141	**Read first.** Urgent this-week list, Top 10 investors, Top 5 suppliers, 3 regulatory risks, exit comps, biggest bet of the week (BSS deadline May 4).
2	`DELIVERABLES.md`	—	—	This file. Complete inventory of v6 outputs.
3	`decisions-locked.md`	4.5 KB	69	The 6 strategic decisions resolved this session + downstream slide-by-slide impact map.
4	`pitchbook-v6-slides.md`	17 KB	420	Source content for every slide in markdown. Editable. Drives the HTML deck.

🎨 Deck (investor-facing)

#	FILE	SIZE	LINES	WHAT IT IS
5	**`deck/index.html`**	68 KB	879	**The deck.** 26 slides. A4 print-optimized. Opens in any browser. Retail-first math, Xiaohongshu comp, Sunday Natural correctly positioned (€800M CVC exit).
6	`deck/_design-system.css`	32 KB	1,287	Alche's existing design system — Cormorant Garamond + Outfit + Space Mono, cream/amber/deep palette, glass components, print CSS. Copied from `pitchbook/design-system/` .

Deck structure — 26 slides:

```
01 Cover                    14 Traction
02 Problem                  15 Roadmap
03 Insight                  16 Financial Projections
04 Solution                 17 Unit Economics
05 How It Works             18 The Team
06 Product Preview          19 Why Now
07 Key Features             20 Vision
08 Competitive Landscape    21 The Ask (€500K pre-seed)
09 Market Opportunity       22 Why Alche
10 Target Audience          23 In the Wild
11 Go-to-Market             24 Contact
12 Business Model           25 Appendix
13 The Flywheel             26 Back Cover
```

💰 Financials

#	FILE	SIZE	LINES	WHAT IT IS
7	`financials/pnl-model.html`	22 KB	416	**24-month P&L model.** Interactive — toggle Conservative / Base / Optimistic scenario. 3-page A4 layout: assumptions dashboard, full P&L table, sensitivity matrix + risk register. Prints cleanly.
8	`financials/_design-system.css`	32 KB	1,287	Same design system as deck, self-contained so P&L can ship standalone.

Scenario outcomes (Year 3):

SCENARIO	REVENUE	EBITDA	GROSS MARGIN
Conservative	€14.0M	(€0.2M)	50%
Base	**€22.2M**	**€7.3M**	**60%**
Optimistic	€38.0M	€14.0M	65%

🔍 Research — 9 agent swarms

Investors (4 files, 1,903 lines)

#	FILE	SIZE	LINES	COVERAGE
9	`research/investors-uk.md`	37 KB	423	**19 UK/London funds.** Top picks: Ada Ventures (10/10), JamJar (10/10 conditional), V3 Ventures (hidden gem). Also: dmg ventures just led Equi comp.
10	`research/investors-dach.md`	33 KB	423	**20 DACH funds** + 9 deprioritized. Top: Vorwerk, Heartcore, Calm/Storm, Cherry. **Berlin Startup Stipendium Batch II deadline May 4, 2026.**
11	`research/investors-eu.md`	40 KB	481	**23 pan-EU funds.** Top: Calm/Storm (10/10), Goddess Gaia Ventures, Eka, Five Seasons.
12	`research/investors-angels.md`	44 KB	576	**Operator-angels, family offices, queer/female networks.** Foelsch (BRAINEFFECT), Murray-Serter (Heights), Ogaenics' Suse Leifer. Gaingels + Out Investors flagged.

Money flow (1 file)

#	FILE	SIZE	LINES	COVERAGE
13	`research/comp-raises-and-money-flow.md`	48 KB	300	**34 disclosed rounds** 2021-2026 mapped to investors. Key finding: **Bioniq → Herbalife acquisition up to $150M, announced 2026.** Five Seasons pattern: her1, ARTAH, Spacegoods, Puresport, KoRo.

Suppliers (3 files, 918 lines)

#	FILE	SIZE	LINES	COVERAGE
14	`research/suppliers-nordic.md`	31 KB	409	**Puori, Nordic Naturals, Swedish Nutra** — specific wholesale contacts, DE distributors, hero SKUs.
15	`research/suppliers-uk.md`	28 KB	266	**Vivo Life, Artah, Innermost, Viridian, Wild Nutrition** — Brexit logistics, ashwagandha risk on 3/5 brands. Only Vivo Life has real EU warehouse.
16	`research/suppliers-german.md`	29 KB	243	**Naturtreu, Ogaenics, BRAINEFFECT, Her.one, Sunday Natural.** Sunday = don't pursue (€800M CVC-owned, DTC-only). Naturtreu + Ogaenics are the Phase 1 workhorses.

Regulatory (2 files, 760 lines)

#	FILE	SIZE	LINES	COVERAGE
17	`research/regulatory-germany.md`	28 KB	373	**BVL notification process, labeling (LMIV + NemV + LFGB), ashwagandha watchlist, VAT (7% solid / 19% liquid), GDPR health data.** Critical: new online form mandatory July 1, 2026.
18	`research/regulatory-eu.md`	27 KB	387	**EU Health Claims (Reg 1924/2006), ~260 approved claims, Green Claims Directive, VAT OSS, cross-border rules.**

📊 By the numbers

METRIC	COUNT
Files produced	18
Total lines of output	8,124
Total size	~550 KB
Deck slides	26
P&L scenarios	3
Investors researched	**82+** (19 UK + 20 DACH + 23 EU + 20 angels/family offices)
Suppliers assessed	13 brands
Funding rounds mapped	34
Agent swarms launched	9 (all completed, all files written)
Strategic decisions locked	6

⏭️ What's still open (for next session)

- **Slide 23** (In the Wild) — placeholder until a real beta-user quote is captured
- **Slide 6** (Product Preview) — placeholder screens; replace with actual app screenshots
- **PDF export** of the deck — needs headless browser (Puppeteer / Playwright) run locally, or print-to-PDF from Chrome

- `alche.health` **domain + waitlist page** — check current status
- **GmbH formation** — pitch credibility (~€2-4K in fees)
- **NDA template** — standardize before sharing deck externally
